# Welcome to **One Day Creative**.

We're the forward-thinking creative education company that connects children and learning with creativity and imagination. Using the performing arts, our mission is to empower young people – helping both primary pupils and teachers access the creativity in their curriculum.

Our engaging primary school workshops come in two forms: **in-person** and **online**.  
Browse this brochure for all available options.

## In-school workshops

Opt for an in-school workshop and a talented One Day facilitator will visit your school, bringing your chosen topic to life through drama, discussion and movement. There are **80+** workshops to choose from, covering important school events like Anti-Bullying Week and Safer Internet Day, as well as a year-round roster of History, Literacy, PSHE and World Culture

## Online workshops

What's more, you can also access **80+** online workshops via Uno. Uno is our easy-to-use video library, packed presenter-led workshops for primary pupils. History drama days? STEM singalongs? Anti-Bullying activities? They're all ready to play at the click of a button! Plus, informative Teacher Guides that make lesson planning easier than ever.

“ It was very well led and engaging which allowed all the children to be creative. The atmosphere created was calm and the children felt very comfortable to participate. Adding the background music was helpful to create the atmosphere. The pupils particularly enjoyed the timeline drama, which added to their knowledge and allowed facts to be memorised in a creative dramatic manner. ”

### \* Game Over

Take your pupils on an interactive adventure through the world of addictive gaming in this KS2 online safety workshop. Will your class be able to avoid the temptation of in-app traps? Will they be able to resist playing to get a good night's sleep? Can they control their emotions if they lose? An ideal e-safety workshop for schools all year round or for Safer Internet Week.

- Explore in-app purchases and age ratings
- Examine safe user habits for electronic devices
- Discuss what is meant by the term 'habit' and why an addiction is more than that

### \* Reach Out

Become an Anti-Bullying Champion this year thanks to our dedicated Anti-Bullying Week workshop for primary schools. Tying in closely to the 2022 theme 'Reach Out', your KS1 and KS2 pupils will participate in a range of engaging drama activities. By the end, they'll feel empowered to REACH OUT when bullying occurs.

As core members of the Anti-Bullying Alliance, keeping children safe, happy and informed is our priority. Together, we'll consider big questions like: What is bullying? What should we do if it happens to us? How can we help if we see it happening to others? Join us in this Anti-Bullying Week school workshop, fire up your imaginations and get ready for some seriously catchy answers – the Anti-Bullying Academy is open for business!

- Explore what forms bullying can take and what to do when it occurs
- Examine why it's important to 'Reach Out' and challenge bullying
- Learn who we can talk to for help

## Science & Geography

- \* Arctic and Antarctic
- \* Earthquakes and Volcanoes
- \* Forces and Magnets

### \* Rainy Rainforest

Take a trip to one of nature's most amazing destinations: the rainforest! Home to over half the world's plants and animals, in this KS2 Rainforest workshop your pupils will explore what makes these ancient ecosystems so unique. Plus, learn which threats challenge their existence. Led by a One Day facilitator, you'll discover the many characteristics of this beautiful (and important) part of our planet. Then, use drama and movement to bring the sights and sounds of the rainy rainforest to life!

- Examine the structure of the rainforest and begin to understand how the ecosystem works
- Discover the locations of rainforests around the world, comparing them to other more local landscapes
- Understand the impact humans have on their environment and the role we can play to protect it

## World Culture

### Religious Festivals

Religious Festivals is an action-packed journey through four unique celebrations observed by four different faiths: Lent, Eid, Hanukkah and Vaisakhi. These four 1-hour workshops can be delivered to the same class or you can pick 'n' mix to deliver different workshop focuses for up to four different classes. Bring unique religious customs to life through the performing arts and develop a deeper understanding of cultures and traditions from around the world.

- Examine a variety of religious festivals and the traditions which take place during them
- Discover the connections between different religions and worldviews through immersive activities
- Understand the meanings behind and significance of a number of religious festivals

“ It was active and engaging. It taught the children a lot about Hinduism, not just about Holi. It was accessible for everyone. The facilitator was excellent. Many of my colleagues commented on what an enjoyable time they had. ”

Class Teacher, London

## Literacy

- \* A Midsummer Night's Dream
- Dragon Tales
- \* Fairytales

- \* **Jungle Book**

Deep in the jungle the animals live, play and hunt. But what happens when they come across a man-cub in their territory? Let's open The Jungle Book and jump into a wild adventure on this literacy workshop for KS1 and KS2. Can you stick to the laws of the jungle? What'll you do when you come face-to-face with the ferocious Shere Khan? There's only one way to find out! An ideal workshop for schools all year round or for World Book Day.

- Explore Mowgli's story to gain an understanding of the characters involved
- Examine the feelings, thoughts and motives of the characters actions
- Express the themes of growing up, jungle life and animal and human interaction through drama or dance

- \* Macbeth
- Myths and Legends
