Welcome to **One Day Creative.**

We're the forward-thinking nationwide creative education company that connects children and learning with creativity and imagination. Using the performing arts, our mission is to empower young people – helping both primary pupils and teachers access the creativity in their curriculum.

Our engaging primary school workshops come in two forms: **in-person** and **online**.

Browse this brochure for all available options.

In-school workshops

Opt for an in-school workshop and a talented One Day facilitator will visit your school, bringing your chosen topic to life through drama, discussion and movement. There are **90+** workshops to choose from, covering important school events like Anti-Bullying Week and Safer Internet Day, as well as a year-round roster of History, Literacy, PSHE and World Culture workshops.

Online workshops

Schools can access online versions of many of our most popular workshops, via Uno. Uno is our easy-to-use video library, packed presenter-led workshops for primary pupils. History drama days? STEM singalongs? Anti-Bullying activities? They're all ready to play at the click of a button! Plus, informative Teacher Guides that make lesson planning easier than ever.

“ It was very well led and engaging which allowed all the children to be creative. The atmosphere created was calm and the children felt very comfortable to participate. Adding the background music was helpful to create the atmosphere. The pupils particularly enjoyed the timeline drama, which added to their knowledge and allowed facts to be memorised in a creative manner. ”

Online Safety: The Big Questions

* Cyber Critical

Do your pupils actively use critical thinking skills while surfing the internet? Are they equipped to challenge things they see online?

In this Online Safety workshop for KS2, we help your pupils delve deeper - beyond the headlines and memes - to decode the puzzling world of the internet. Essential Online Safety topics like trolling, AI, online-bullying, misleading and inappropriate content are all on the agenda. Plus, who we can turn to for support.

Get ready to engage your imaginations and practise those critical thinking skills, as your KS2 classes navigate their way through this online minefield safely and responsibly.

- Empower pupils to recognise and practise social responsibility online
- Learn how actions on the internet can have real-life consequences
- Discover how to enjoy technology safely and respectfully
- Explore ideas and feelings through role-play, voice and drama

'Choose Respect' is the official theme for Anti-Bullying Week 2024.

* Choose Respect

Choose kindness, Choose your words, Choose your actions, Choose happiness. **Choose Respect!**

Throughout this workshop we encourage pupils to handle disagreements and differences of opinion without resorting to bullying. Empowering pupils to make better choices online and in real life, to solve problems with empathy and kindness. Choosing kindness even when we disagree.

At the end of the workshop, pupils will be ready to consider the choices in their own relationships and will be well prepared to choose respect.

- Explore what forms bullying can take and what to do when it occurs
- Examine why it's important to 'Choose Respect' and challenge bullying
- Learn who we can talk to for help

“ The children engaged instantly and really had fun. I liked the focus on being kind and positive rather than focusing on bullying. The best Anti-Bullying workshop that we've had! ”

Our Diverse World

Rain to Drain - Water Cycle

* Rainy Rainforest

Take a trip to one of nature's most amazing destinations: the rainforest! Home to over half the world's plants and animals, in this KS2 Rainforest workshop your pupils will explore what makes these ancient ecosystems so unique. Plus, learn which threats challenge their existence. Led by a One Day facilitator, you'll discover the many characteristics of this beautiful (and important) part of our planet. Then, use drama and movement to bring the sights and sounds of the rainy rainforest to life!

- Examine the structure of the rainforest and begin to understand how the ecosystem works
- Discover the locations of rainforests around the world, comparing them to other more local landscapes
- Understand the impact humans have on their environment and the role we can play to protect it

Religious Festivals

“ It was active and engaging. It taught the children a lot about Hinduism, not just about Holi. It was accessible for everyone. The facilitator was excellent. Many of my colleagues commented on what an enjoyable time they had. ”

Class Teacher, London

Religious Festivals is an action-packed journey through four unique celebrations observed by four different faiths: Lent, Eid, Hanukkah and Vaisakhi. These four 1-hour workshops can be delivered to the same class or you can pick 'n' mix to deliver different workshop focuses for up to four different classes. Bring unique religious customs to life through the performing arts and develop a deeper understanding of cultures and traditions from around the world.

- Examine a variety of religious festivals and the traditions which take place during them
- Discover the connections between different religions and worldviews through immersive activities
- Understand the meanings behind and significance of a number of religious festivals

Literacy

- * **A Midsummer Night's Dream**
- Dragon Tales**
- * **Fairytales**

* **Jungle Book**

Deep in the jungle the animals live, play and hunt. But what happens when they come across a man-cub in their territory? Let's open The Jungle Book and jump into a wild adventure on this literacy workshop for KS1 and KS2. Can you stick to the laws of the jungle? What'll you do when you come face-to-face with the ferocious Shere Khan?

There's only one way to find out! An ideal workshop for schools all year round or for World Book Day.

- Explore Mowgli's story to gain an understanding of the characters involved
- Examine the feelings, thoughts and motives of the characters actions
- Express the themes of growing up, jungle life and animal and human interaction through drama or dance

- * **Macbeth**
